THE FIRST COMMISSION

KUŹNIA
MĘSKI WYJAZD

As iron sharpens iron, so one person sharpens another.

Proverbs 27:17 · NIV

Time to complete the tasks: 35 minutes.

Open your own Kuźnia workshop. Create its flag, a portrait of its founders and its first invention.

01 NAME AND FLAG

Choose a name for your workshop. Put the name, a symbol and your team number on the paper provided. Take a photo of the flag.

02 PORTRAIT OF THE FOUNDERS

Emanuel Leutze · Washington Crossing the Delaware

Recreate this scene outdoors. Use poses, expressions and whatever props you have. Everyone except the photographer must be in the photo.

03 INVENTION AND ADVERT

Use your starter pack to create an invention that solves a small camp problem. Give it a name and show how it works. It can be absurd.

Record an advert of up to 30 seconds. Show the problem and your invention in action. Make it understandable even to someone who does not speak your language.

Everyone except the camera operator must appear in the video. You do not all have to appear at once.

SUBMIT YOUR WORK

Upload your flag photo, recreated photo and advert to the shared Google Drive. Label the files with your team name. Then return for the screening.

HOW TO WIN

The three judges will agree on one ranking for each task. With 10 teams, first place earns 10 points, then 9, down to 1. Maximum total: 30 points. The highest total wins.
